

21st February 2013.

To whom it may concern.

I am writing this letter to thank you and your company Sithagi Design Engineering Services (SD & EC) for successfully completing the renovation works on our office building "Number One" at Galle Fort. During the project, you have demonstrated diligence, and dedication to completing the work in professional manner while working within our Budget.

I am happy to recommend your services to any future clients.

Yours sincerely,

10.02.2013

To whom it may concern.

I am pleased to write this letter of recommendation in support of Mr Suresh Perera, the Project Manager for my group of Eco-villa construction site at Ahangama and the owner of Sithagi Design & Engineering Services.

Since June 2012 Mr Suresh has been very professional and extremely helpful not only in preparation of drawings but also in organizing the construction permit itself. Furthermore he has been very efficient in construction supervision, technical detailing and monitoring the progress.

I have no hesitation in recommending Sithagi Design & Engineering Services for any construction as a Project Management Firm as well as a Construction Firm. I would use his services again for my next projects in the future.

Sincerely,

Philippe Kotfila
